Finally, we will take a short walk to **Tambomachay**, a monument of impressive architectonic knowledge considered one of the pillars of the Andean Cosmo vision. Return to Cusco to visit **Korikancha** temple that will welcome us in all its magnificence; this temple, whose Quechua name translates as "Gold Enclosure", used to bedazzle the Spanish conquistadors with its gold covered walls. They later built the Santo Domingo Church on top of this Inca temple. Tour duration: up to 4 hours, entrance tickets to the Sacsayhuaman archaeological park and Korikancha and a Russian-speaking guide are included.
